# Spectrum Scale User Group 2016

Welcome

Who are we?!

- We empower the SS community to use the product to its potential

- Raise awareness of SS as a capable data management platform

- Provide a "localised" community for support and knowledge sharing

- Provide a centralised mechanism for development feedback

Who gets involved and how?

- Open to all using, interested in using or integrating GPFS
  - Developed in and focused on UK, but not limited to UK. Now has global membership.
  - Wide range of industries and sectors represented.
- Web community (website and mailing list), events held 3-6 times/year
- Committee in UK:
  - Chair, secretary, co-chair and 1 media industry representative (please get involved!)
- Committee in USA:
  - Principal and Co-principal
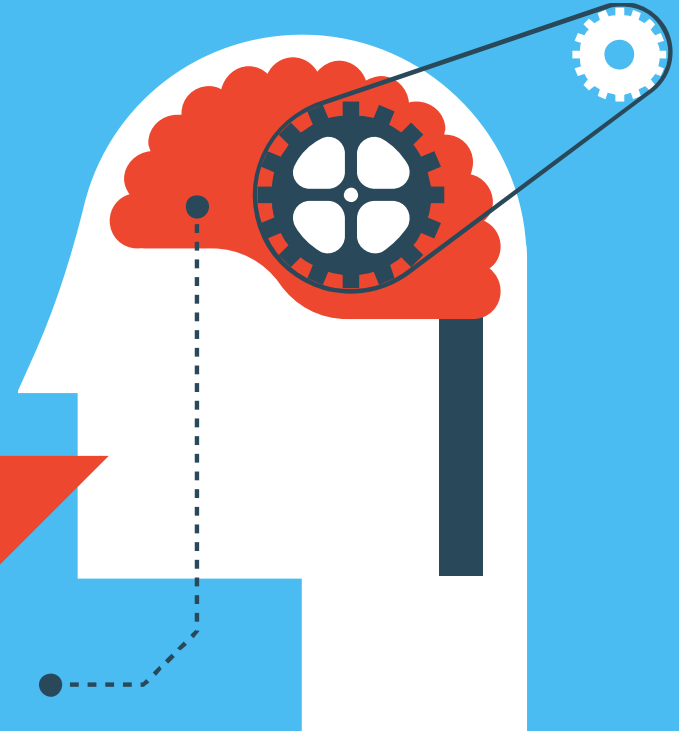

We couldn't do it alone

Thanks to our **sponsors**:
Arcastream, DDN, IBM, Lenovo, Mellanox, NetApp, OCF & Seagate

Thanks to our **speakers**

Thank **you** for being involved
